

ELECTRICITY CONTROL BOARD

PUBLIC INVITATION

PUBLIC PRESENTATION OF THE 2024/2025 END-USER TARIFF APPLICATIONS BY THE DIFFERENT LICENSEES

The Electricity Control Board (ECB) is hereby inviting interested members of the public to **attend the public presentation by NORED, CENORED, Erongo RED, Oshakati Premier Electric, Keetmanshoop Municipality and City of Windhoek on their respective 2024/2025 applications.**

Interested members of the **public will have the opportunity to engage the distribution licensees to clarify and explain their tariff applications** to their customers.

The public presentations are to enhance electricity end-consumers' involvement in the determination of end-consumer tariff.

Herewith the schedule of the public presentations:
